

## Notice

- Copies of the full warranty can be obtained prior to the purchase of products by contacting your local Hamamatsu sales office.
- Hamamatsu makes no other warranties, and any and all implied warranties of merchantability, or fitness for a particular purpose, are hereby disclaimed. The customer is responsible for use of the product in accordance with Hamamatsu's instructions and within the operating specifications and ratings listed in this catalogue. Hamamatsu shall not be responsible for the customer's improper selection of a product for a particular application or otherwise. No warranty will apply if the products are in any way altered or modified after delivery by Hamamatsu or for any intentional misuse or abuse of the products. Proper design safety rules should be followed when incorporating these products into devices that could potentially cause bodily injury.
- Hamamatsu's liability on any claim for loss or damage arising out of the supplying of any products, whether based on contract, warranty, tort (including negligence and for property damage or death and bodily injury) or other grounds, shall not in any event exceed the price allocable to such products or a part thereof involved in the claim, regardless of cause or fault. In no event shall Hamamatsu be responsible to the customer or any third party for any consequential, incidental or indirect damages, including but not limited to loss of profits, revenues, sales, data, business, goodwill or use, even if the company has been advised of the possibility of such loss or damage. The limitation of liability set forth herein applies both to products and services purchased or otherwise provided hereunder. This warranty is limited to repair or replacement, at the sole option of Hamamatsu, of any product which is defective in workmanship or materials used in manufacture. All warranty claims must be made within 1 year from the date of purchase or provision of the products or services.
- Products that are amenable to repair shall be done so either under warranty or pursuant to a separate repair agreement. Some products cannot be repaired either because of the nature or age of the product, the unavailability of spare parts, or the extent of the damage is too great. Please contact your local Hamamatsu office for more details.
- The products described in this catalogue should be used by persons who are accustomed to the properties of photoelectronics devices, and have expertise in handling and operating them. They should not be used by persons who are not experienced or trained in the necessary precautions surrounding their use.
- The information in this catalogue is subject to change without prior notice.
- Information furnished by Hamamatsu is believed to be reliable. However, no responsibility is assumed for possible inaccuracies or omissions. Before using these products, always contact us for the delivery specification sheet to check the latest specifications.
- No patent rights are granted to any of the circuits described herein.
